

The 2018 BOMA NJ HEART AWARD is a local award based on creative community involvement without a direct impact to the management budget and is open to <u>ALL</u> BOMA members in good standing only.

- 1) Judging is based on the following:
 - A. What was the involvement of occupants and surrounding community?
 - B. How did the community involvement help improve the quality of life and/or overcome obstacles?
 - C. What was the amount of media coverage and positive profile for the community and the building liaisons?
 - D. Amount of volunteering and fund raising rather than direct impact from budget.

BOMA NJ
HEART AWARD
2018
~~~~
GIVING TO
OTHERS AND
BENEFITING OUR
COMMUNITY

You may nominate your building/management team or others by completing the following:

- How did the community involvement help improve the quality of life and/or overcome obstacles?
- What was the amount of media coverage and positive profile for the community and the building liaisons? Send copies of press releases or other media coverage received if applicable.
- How many volunteers were involved? # of hours?
- Would you do it again and if so, what would you do differently or keep it the same?
- Send your sample flyers/advertisement.

| Heart Award Nominee (Building, Company, Individual):                                                                                                                         |             |
