FIDDLER'S DRESS CODE

The purpose of our Dress Code is to provide members, juniors and guests with a guide to appropriate dress when using the golf facilities (Golf Courses, Putting Green and all practice areas) at Fiddler's Elbow.

Men must wear slacks or Bermuda length shorts that are no shorter than 3-inches above the top of the knee. Women must wear slacks, capris, golf shorts, skirts, skorts, culottes or dresses that are no shorter than 3-inches above the top of the knee.

For Men, shirts with sleeves and collars are required. For mock collared shirts, the collar must be a minimum of 1 ½". Shirts must be tucked into pants or shorts at all times.

For Women, shirts with sleeves and collars are preferred; however, women may wear a round neck collarless shirt with sleeves or a shirt with a collar and no sleeves. Shirts must be tucked in. Shirts with finished bottoms that are designed to be left untucked may be worn out; however, no women's clothing is allowed where the midriff is visible.

Only spikeless shoes are permitted on the golf courses and practice facilities. Spikeless shoes include Softspikes, golf shoes with rubber treads, and sneakers.

At no time are jeans, denim or cargo clothing, pool attire, cut-off shorts, jogging/sweat/warmup or yoga pants, T-shirts/tank tops/mesh shirts/athletic shirts or any undergarment type attire with or without printed slogans, strapless tops/halter tops or tube tops, any camouflage attire or shoes with metal spikes/high top sneakers/water footwear/flip flops allowed anywhere in the Clubhouse, on the outdoor patio/terraces, golf courses or practice areas.

Caps must be worn with the bill forward, at all times. Hats and visors must be removed in the Clubhouse.

Golfers are not permitted to change attire or shoes in the parking lot.

No flip-flops or sandals permitted

Rules of Play

All players hit from tee box.

All players hit off the tee. Foursome selects best shot. All other shots picked up. All players in foursome hit second shot from that point. Continue in this manner until the ball is holed out, including putts on the green. At least 2 drives per player so as to avoid one player's ball being used on every hole.

All players may place the ball within one club-length of chosen point, no nearer the hole. On the green, all players putt from within one "club-head" length. If a chosen shot is in a hazard, all balls must be played from the hazard, no nearer the hole.

Each foursome is allowed to buy (4) mulligans. Each player is allowed to use (1) mulligan, on shot of their choosing with the exception that a mulligan can't be used to win prize.

If playing in a threesome, take four shots from each lie (including putts), rotating the "fourth player" based on a line up set by your group.

Please replace all divots and repair all ball marks.

To maintain pace of play, please pick up team ball at Double Par. For example, if the hole is a Par 4, pick up team ball after 8 strokes.
